Your Credit Union is GROWING

Despite the many challenges of 2021, your credit union continues to grow. Thank you for your membership and loyalty to City & Police Federal Credit Union.

When members, volunteers and staff all work together for the betterment of the credit union, we all succeed.

Earlier this year, your credit union hit some great milestones. We surpassed \$100 million in assets. Our loan portfolio eclipsed \$50 million and our

deposits are approaching \$100 million.

Membership continues to grow as we now serve over 6,500 members. All great accomplishments but none would be possible without our members.

Growth makes your credit union stronger and provides more resources to improve membership value. Thank you for being a part of this growth story that started all the way back in 1935. We look forward to continuing the story. But more than that, we look forward to "Serving the Financial Needs of Our City's Best."
